LIBRARY RESOURCES

Bath College Library and Learning Resources Centres (LRCs) are your one-stop-shop for study resources, computing facilities, printing and much more. Laptops, PCs and Macs are available where students can access electronic resources, including eBooks, online journals and streaming media. Knowledgeable, approachable staff are on hand to assist students, offering individual training on finding and using resources to help you to make the most of your time at Bath College. Library staff can also help you with basic IT problems, including resetting network passwords and accessing the College WiFi.

Opening Hours

The Library is open, Monday to Friday. For normal opening hours please see the College website, under College Services. Our 24/7 Library pages on the College Virtual Learning Environment (Moodle) provide further access to a range of online resources. See moodle.bathcollege.ac.uk

Located on both campuses:

- City Centre – 1st floor, Macaulay Building
- Somer Valley – Cam Building

*See previous page for opening times.

Study spaces

The City Centre Campus Library and LRC has a range of study spaces, including individual quiet study spaces, a group study room, soft-seating spaces and computer work stations. The Somer Valley Campus Library and LRC has a similar range of study spaces, including individual quiet study spaces, soft-seating spaces and computer work stations.

Wireless network

Wireless internet access is available throughout the campuses.

Photocopying and printing

There are Multifunctional Devices (MFDs) in both libraries. These will allow you to print, photocopy and scan to email addresses or to your network storage space.

HOW TO ENROL

You may enrol at any time

We will make every effort to accommodate late enrolments, but we recommend you enrol as early as possible due to the popularity of our courses.

You can enrol in person, online or by telephone.

Enrolling online

Visit www.bathcollege.ac.uk to enrol online on our Love2Learn Leisure courses. This enrolment portal will allow you to check availability and enrol on your chosen course 24/7.

Payments are made through a secure site with Barclays World Pay.

Please note, the College does not retain information relating to your payment details

Enrolling in person

A member of our Student Services team at the City Centre or Somer Valley Campus would be happy to help you with processing your enrolment.

Our Student Services are located in the Macauley Building at the City Centre Campus and the Midford Building at the Somer Valley Campus.

Enrolling by telephone

If you are paying in FULL by credit/debit card you can enrol by telephone on **01225 328 720** during Student Services opening hours*.

Course Selection

We are always adding exciting new courses so there may be some that aren't listed in this booklet. Find our full range of courses and apply by scanning the QR code below.

Please note: Our course information is correct at the time of printing. In the case of course changes, please refer to our website for the most up to date course information and scheduling bathcollege.ac.uk/love2learn

Please note:

Part-time courses are subject to minimum numbers of students. Enrolled student numbers are checked close to the start date of your course. If the course is not considered viable, due to low numbers, it may be cancelled. It is therefore important that the telephone number and email address you provide to us is accurate.

Interview

Some courses require you to have a discussion with a tutor or adviser before enrolling on your course. This ensures the course is appropriate for your needs and that you meet any pre-entry requirements. Courses needing an interview are marked. 

When we receive your application form, we will contact you, usually by telephone, to check the appropriate details. Your payment will be processed after this point and not before.

When will I be enrolled?

As soon as your completed enrolment form and fees have been received by the College, a place on your chosen course will be booked.

Equality and Diversity

Bath College is an inclusive community and is committed to the general and specific duties of The Equality Act 2010. If you have a learning difficulty or disability please let us know prior to enrolling so that we can work with you to ensure that reasonable adjustments and support arrangements are able to be considered.

ID Badge

Please ensure you wear your student ID whenever you're in College; you will need it to access college buildings.

You must provide a passport style photograph of yourself as soon as you enrol. You can email your photo to studentid@bathcollege.ac.uk or come into Student Services to have your photo taken. You will be given your ID badge by your tutor at your first class.

A copy of our up to date full Terms and Conditions of enrolment are on can be seen at: bathcollege.ac.uk You can also see them on pages 72-75 which are correct at time of printing.

PAYMENT OPTIONS

How do I pay for my course?

You must provide the full amount of the course fees (as indicated alongside your chosen course/s) together with your completed Enrolment Form (Learning Agreement) before you will be allocated a place on the course.

All fees are due in all circumstances and are payable before you start the course. We do not take any payments in instalments for Love2Learn courses.

The following details should be written (in block capitals) on the back of your cheque:

- Course title and course code
- Name and address of student

What do my fees cover?

Your fees will cover:

- Tuition
- Resources (including materials)
- Access to the Learning Centre for the period of your enrolment

There may be additional costs for particular course materials which will be specified.

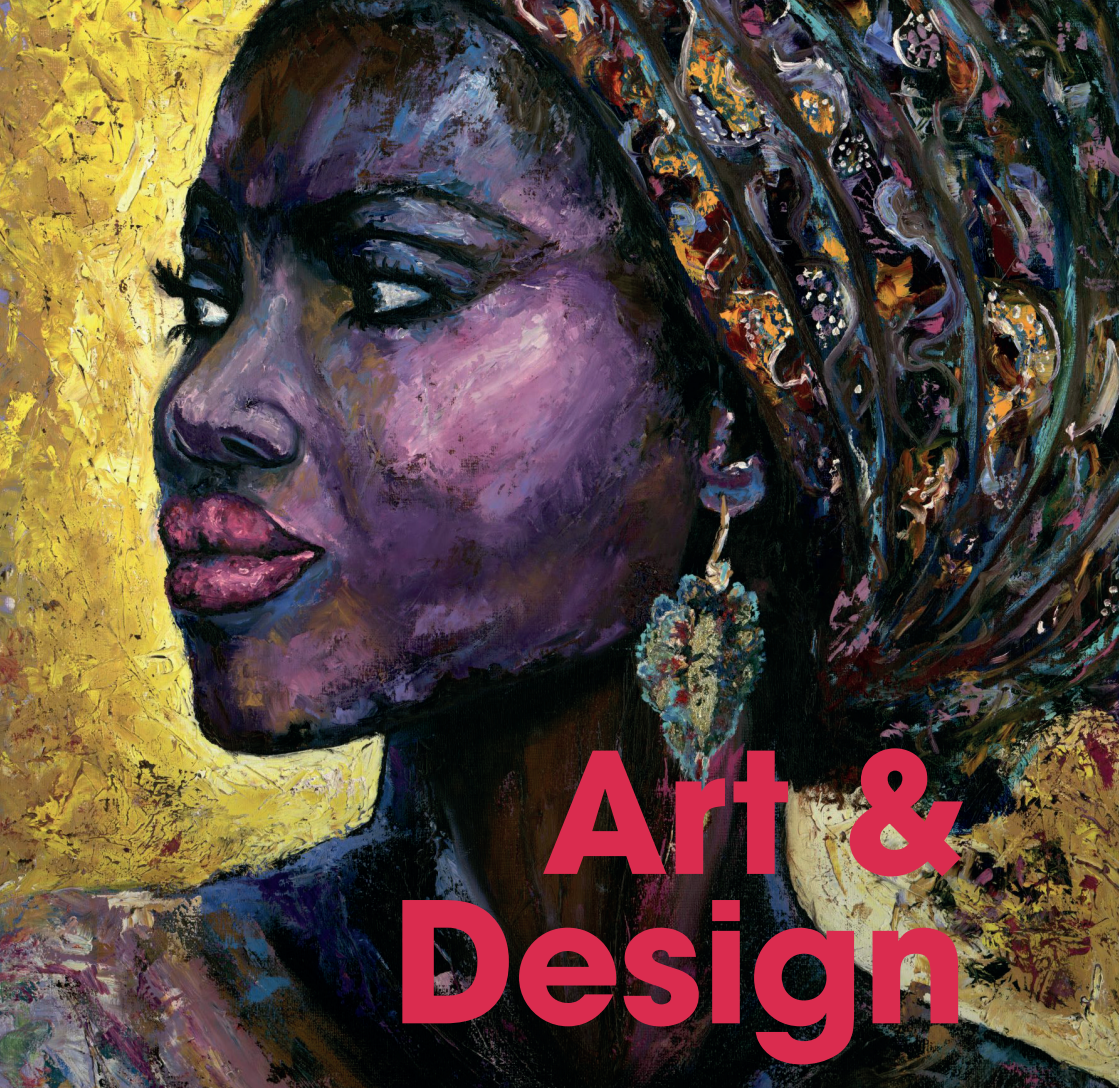

Refunds

If for any reason the College has to cancel a course and no alternative course is acceptable, we will fully refund all fees paid. However, other than in truly exceptional circumstances, the College will not refund fees to a student who voluntarily withdraws from a course. Requests for refunds must be sent in writing to Student Services at: love2learn@bathcollege.ac.uk

Please note: Our course information is correct at the time of printing. In the case of course changes, please refer to our website for the most up to date course information and scheduling bathcollege.ac.uk/love2learn

An aerial, top-down view of a circular road or roundabout. In the center of the road is a large, dense, green tree. The road is paved and has several cars parked or driving around it. The road is surrounded by multi-story, light-colored buildings with many windows. The overall scene is a mix of urban architecture and nature.

PAINTING

Studio Painting

This popular Studio Painting course provides further opportunity to extend your painting practice with guidance from a practising artist. In these all day sessions, you will start with group workshops, which include life drawing with a life model, exercises based on an artists work, and discussions into art theory and history. These support you as you go independently into your own painting practise in the afternoon session. The tutor will work on their own painting beside you, providing an opportunity to learn in 'real time', and will also offer helpful critique and encouragement as you need it. We end the day with a relaxed group discussion where you can receive peer feedback and gain inspiration from everyone's work. Throughout the 10 weeks, you will be able to produce a few large scale paintings or a number of smaller projects.

Oil Painting

Led by a practising artist, this Oil Painting course will go into depth on the medium of oil paint. We will start with broader topics, including an introduction into the history of oil painting, how to mix colours effectively, including those for skin tones, and how to plan compositions for your paintings. These will directly inform small practice paintings. We will then move onto a larger work of your choice, painted over multiple weeks, in which you can bring all the knowledge learnt throughout the course. You will work from a variety of stimuli, including direct observation, photographs, and famous works of art

SEWING

Sewing Skills

The Sewing Skills course is a practical course taught in a relaxed environment which is aimed towards building individuals confidence and independence in sewing. In part 1 you will learn basic sewing machine skills and techniques which can be applied to both clothing and textile projects. We highly recommended that you complete part 1 prior to attending part 2 where you will develop design skills and 'Fit' techniques to create a garment. Focus for part 3 is building on previous learning to extend knowledge in working on a garment from another area of the body to bring about new challenges and design/making skills.

Sewing Skills: Zero Waste Fashion

Start your exciting individual creative journey which celebrates fashion and experimentation with a relaxed approach with an eco friendly emphasis. Tasks are covered through a series of fully supported 'mini projects' where you will be introduced to a range of skills and techniques which investigate and encourage a more sustainable wardrobe.

For example, learning and gaining confidence in basic sewing skills required to adapt existing clothing, processes and techniques to update and create something unique, creating new garments and accessories using recycled/reclaimed fabrics, learning how to make your current wardrobe work better for you through adapting and reworking existing pieces to avoid buying 'new', explore 'mending to be seen' and decorative techniques to celebrate the journey garments have made.

Make use of those vintage finds, charity shop classics and flea market gems and give them a second life.

Jewellery

Learn essential core skills in jewellery making, to build confidence and know-how. A carefully structured series of projects will introduce you to a range of materials, techniques and processes. Returning students can choose to develop their individual design ideas. Whilst fine metalworking continues to underpin much jewellery practice, exploration of other materials, such as paper, fabric or wood, can also be considered. This 10 session programme will introduce you to skills that enable you to design and make banded rings, bangles or pendant forms. These designs will be developed from exploratory sampling, using metal wire, strip and sheet material of different weights and section. All levels of ability are welcome.

Languages

FOREIGN LANGUAGES

We are offering language courses at up to four different levels from Level 1 (Beginners) to Level 4 (Upper-Intermediate/Advanced). We also have Conversation classes in French, Italian, Spanish and German. Courses at each level are divided into two sequential parts. Classes are taught in a friendly environment by experienced teachers using a number of varied resources. They help you develop the skills that you need to communicate in a foreign country.

.....

Level 1 (Beginners)

This course is perfect if you have little or no previous knowledge of the language. By the end of the course, you will be able to take part in simple conversations and understand everyday information.

Level 2 (Pre-Intermediate)

If you have some prior knowledge of the language and are able to take part in simple conversations, this course is for you. You will be able to take part in conversations on familiar topics and to express yourself with a certain degree of confidence.

Level 3 (Intermediate)

This course is for you if you are able to communicate with some fluency and confidence in a variety of contexts. By the end of the course, you will have increased your fluency and range of grammar and vocabulary.

Level 4 (Upper-Intermediate/Advanced)

This course is for fairly confident speakers who have developed a good use of grammar and different tenses. By the end of the course, you will have grown in confidence and become a more independent learner.

Conversation classes

The aim of the conversation class is for those who are at or beyond Level 4 to develop their fluency in the spoken language. You will take part in conversations about a wide variety of topics including current affairs, food and drink and travel. The classes are designed to provide insight into the life and culture of the country.

Please note: These courses are subject to change; for the most up to date course information and scheduling, please refer to our website bathcollege.ac.uk/love2learn

Whether you want to learn a new language from scratch, or brush up on your existing skills, we have a course that can help you to further develop your language abilities and cultural knowledge. We offer a range of modern foreign languages from Japanese to Spanish.

TERMS AND CONDITIONS OF ENROLMENT

Student Registration/Enrolment Conditions

1. Variation/Cancellation of courses

The College reserves the right to make alterations to courses, tutors, fees or venues without prior notice provided such alterations shall not substantially affect the course content or qualification and such alterations shall, at best, only entitle the participant to reimbursement of course fees paid.

The College reserves the right to cancel or reschedule courses at their discretion if in the opinion of the College there are insufficient enrolments or attendees. In such cases the participant shall be offered a transfer to an alternative course.

If not appropriate/acceptable a full refund of course fees will be made within fifteen days. College working days of the cancellation or the student declining the course rescheduling. In such cases the College liability shall be restricted to a reimbursement of any fees paid to the College.

In the event of cancellation of courses or classes for a reason outside the control of the College, the College shall be under no obligation to provide any reimbursement. In the event of any reimbursement being made, it shall be a gratuitous payment made without obligation or liability.

2. Eligibility

You must be aged 18 or over to enrol on our Love2Learn 19+ Adult Leisure courses.

3. Attendance

If you cannot attend the first session of your course but wish to continue on the programme, you should inform the College immediately

by writing to the Student Advice Centre. If you fail to do so we reserve the right to offer your place to an applicant on our waiting list. The College reserves the right to ask a student to leave for reasons of unacceptable behaviour or gross misconduct.

4. Copyright

The copyright in all material provided by the Bath College shall (unless expressly stated or otherwise) remain vested in the College and may not be reproduced without the College's specific written consent.

The copyright in, and any work produced, by the student as part of the course, shall remain with the College and work may be retained at the discretion of the College for display or promotional activities.

5. Course content

The contents of the course are believed to be correct and to reflect the current state of the knowledge.

6. Liability and Insurance

The College shall not be liable for any loss or damage suffered by a student in connection with the provision of any course or service except in the case of death, personal injury or loss suffered as a result of the College's negligence. The College shall not be liable to the student for any delay in performing, or any failure to perform, any of the College's obligations, if the delay or failure was due to any cause beyond the College's reasonable control. The College does not insure students' personal belongings and students are responsible for making appropriate provision in respect of insurance arrangements to protect their property and person.

7. Contract

On signing the College's enrolment form the student enters into a legally binding contract with the Bath College.

8. Access to information

Information about College activities is generally available for public inspection on request. Details of documents available for inspection can be obtained from the Student Advice Centre or the Learning Centre.

9. Data Protection Act 2018

The College collects and processes information about students to make admissions decisions, to provide education and training and for administrative, health, safety and welfare and security reasons.

Some of the data about you may, because of its nature, be classified as 'Special Category Data' within the meaning of the Data Protection Act 2018. Since we cannot operate the College effectively without processing this information we need you to sign the 'Student Data Processing' clause on the enrolment form. If you do not do so we will be unable to offer you a place on a course and may withdraw any offer already made.

If you require information, please contact the Student Advice Centre on 01225 328 720.

Financial Terms and Conditions

1. Payment terms

Settlement is due on enrolment and may be in Sterling or Euros. Places will not be held without payment. Settlement in full or in part by agreement with the College will ensure that your name appears on the course register. Attendees at classes who have not completed an enrolment will be directed to the Duty Enrolment Officer to complete the necessary enrolment documentation and to pay any fees due.

2. Interest

The College reserves the right to charge interest at the current Bank of England base rate plus 2% per month if payment is not made by the due date of payment.

3. Payee

Cheques (with a cheque guarantee card) or postal orders should be made payable to 'Bath College' and crossed 'Account payee only'. On the back should be written (in block capitals) the name and address of the student, the course title and course code.

4. Fees

All prices in respect of course fees are correct at time of going to press. In exceptional circumstances fees may be increased between publication of this prospectus and the beginning of the Academic year. In the event of an increase, students will be notified accordingly. Students not wishing to pursue courses at the increased fee must notify the College in writing within fourteen days of receiving notice of the increase and the College shall reimburse all monies already paid.

5. Withdrawal from course

All fees agreed on enrolment will be due regardless of whether a student later withdraws voluntarily from the course.

6. Exam fee

A charge will be made for exam fees

where a student fails to sit an exam which forms part of the Learning Agreement and for which the College has paid.

7. Reimbursement

Once enrolled, a student is liable for the fee identified in this agreement regardless of whether they subsequently decide to withdraw from the course. Reimbursement in whole or in part for fees paid will only be considered in truly exceptional cases, subject to clause 1 of the Student Registration/Enrolment conditions.

All applications for reimbursement should be made in writing to the Finance Office. Appropriate supporting documentation must be attached (e.g. medical certificates). The College reserves the right to make a deduction of £25 or 15% (which ever is the greater) from such reimbursements to represent the administration and other cost to the College occasioned by the student's withdrawal.

If the College requires a student to leave for reasons of conduct, the student will remain liable for the whole amount agreed at enrolment. Any reimbursement approved by the Principal will be made within fifteen College working days of the date of receipt of the application for such reimbursement. Full reimbursement will be made within fourteen College working days where courses are cancelled by the College.

8. Course transfers

Any student who is enrolled on a course and wishes to transfer to a different course should put their request to their tutor. The decision will be made by the relevant Head of Department. There will be no refunds for courses at a lower fee and any increase in fee will be payable by the student.

9. Credit notes

Credit notes in whole or in part may be obtained for course withdrawal

for reasons agreed between the student and the College which are not covered in the reimbursement criteria above. Credit notes may be valid for a one year period from the date of issue and are not transferable subject to the College's discretion. Students should apply in writing for a credit note.

10. Fee reductions

Fee reductions will only be applicable to courses as indicated in this prospectus and to students meeting the criteria as laid down in this prospectus. Evidence must be provided on College form C025.

11. Receipts

Receipts will be provided for all monies paid to the College except where payment is made through BACS or standing order.

12. Non acceptance of applicants

The College reserves the right not to accept applicants or enrolments from individuals or sponsors where fees or other costs from previous courses remain outstanding until such time as all outstanding fees or other outstanding costs are paid.

13. Non payment of fees

In addition to the terms of clause 12 above, the College reserves the right to terminate an enrolment at any time during the life of a course where fees are outstanding or where any agreed instalment payment defaults. In the event of the College exercising the right to terminate an enrolment, the person concerned has a right of appeal under the terms of the College Appeals Procedure, available from the Student Advice Centre.

The College may take legal action for the recovery of monies due and in such circumstances the College reserves the right to make charges of up to £250 to represent the administration and other costs to the College occasioned by the non-payment.

NOTE: Nothing in these Terms and Conditions of Enrolment affects your statutory rights.
