## **Opportunities for access**

Bath College offers a comprehensive Careers and Employability offer and an overview of this programme can be seen on our website.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the College. Bath College will also make a suitable space available for discussions between the provider and students, as appropriate to the activity. We will also make available ICT and other specialist equipment to support provider presentations.

This will be discussed and agreed in advance of the visit with the Careers Lead to ensure opportunities to speak to students are meaningful and develop the skills, knowledge and behaviours necessary for meaningful progression.

Bath College runs a number of events, integrated into its careers programme, and will offer opportunities to engage with our students throughout these events. However, some these events may be cancelled or postponed due to on-going situation with Covid 19.

All events will be risk assessed.
